Job Description

About the Ace Math Honors program (American pre-algebra and algebra level):

- Content: Teach courses based on American pre-algebra and algebra knowledge to secondary-level students, most of whom are based in the USA.
- Class Schedule: Fixed-schedule classes with enrolled students, once a week, **18** weeks for one semester starting on January 13th, 2025.
- Curriculum: provided by LingoAce
- Platform: LingoAce Online Classroom

Payment: \$40 USD per hour, \$60 USD per class (90 minutes). The more group classes you take, the more stable your income could be (eg. one group class can earn up to \$1080 USD for one semester)

Application Process:

- Fill in an Online Application Form
<https://acemathhonors-americanprealgebraandalgebralevel.paperform.co>
- Pass Online Live Demo Stage (25 mins teaching)
- Complete Teacher Profile and Sign Agreement

Education & Experience

Requirements:

- Bachelor's degree or higher in Mathematics, Engineering, Science, Technology, or a related field
- Experience teaching pre-algebra, or algebra at the middle school level
- Native English speaker from the US, Canada, the UK, Australia, or New Zealand

Preferred Experience:

- Strong content knowledge in mathematics
- Previous experience teaching or tutoring students
- Classroom teaching experience at the K-12 level is preferred
- A degree in a STEM-related or educational field is strongly preferred
